

Needs Assessment for Teacher Practices/Home Visiting Practices

(Hot Sheet)

CF/E-32 New 1/16

(optional)

1. Have coaching participants complete the needs assessment at first visit.
 - a. If classroom staff, have them complete the Teacher Practices only.
 - b. If home base staff, have them complete the Home Visiting Practices only.
 - c. If combo program, have them complete both.
2. Explain to participants to rate themselves by checking the box that most closely matches how they feel about the teaching practice described.
3. Review the needs assessment with participants and coaches use as a tool to help address concerns and develop goals for teaching staff/providers.
