

# **EHS Child Health Tracking Form**

(Hot Sheet)

CF/H-11a Revised 1/12  
(mandatory)

This form is to be used for tracking health services to record and track each child and services/tests received with results. It is helpful when collecting data for the PIR and monitoring what services have been provided and follow-up needed. As each delegate uses COPA, HISPHIS, Child Care Plus – tracking systems may vary.

This form is to be used by Health Staff as worksheets to gather data on Health/Social Services of enrolled children. The information tracked shall be used for PIR and monitoring what services have been provided and follow-up needed.
