

## Declaration of Intent to Work in Agriculture

*The Migrant and Seasonal Head Start program defines eligible families as those engaged in agricultural work and whose family income comes primarily from this activity. 45 CFR Part 1305.2(m)*

Agriculture employment must be secured within **45 calendar days** in order to comply with the standards of the **Office of Head Start** of serving children in Migrant and Seasonal Head Start programs.

**Please check all that apply:**

- ☐ Currently seeking work in agriculture.
  - ☐ Seeking *new* employment in agriculture.
  - ☐ Seeking work with *previous* employer.

Please notify \_\_\_\_\_ as soon as agriculture related employment begins.  
(Staff member's name)

I understand if employment is not gained in agriculture work within **45 calendar days** from the child's first day of enrollment services will be terminated, and staff will make every effort to transition my family to an alternative childcare program, as appropriate.
